## Emerge Vermont Sponsors Circle

Sponsors Circle members support EmERGE Vermont as significant donors and sponsors of events. Sponsors Circle members enable us to present exciting statewide and national events as well as our ongoing Signature Training, Campaign Boot Camps, and other training opportunities. The Sponsors Circle recognizes individuals, foundations, and businesses committed to our organization's mission of empowering Democratic women to run and win elected office; provides meaningful ways to engage with alumnae, elected officials, and the EmERGE Vermont community; and creates opportunities for collaboration to further our mission and impact.
