

Men for Emerge Vermont

Men for Emerge Vermont is a core group of allies committed to our organization's mission of empowering Democratic women to run and win elected office. Men for Emerge Vermont recognizes supporters who are advocates and allies of the Emerge Vermont movement; offers meaningful ways to engage with alumnae, elected officials; and the Emerge Vermont community; and creates opportunities for collaboration to further our mission and its impact.

Why join Men for Emerge Vermont?

Government that includes elected leaders who reflect their constituencies benefits everyone. In order to continue the impactful work of empowering Democratic women to run and win, we need a broad coalition of allies to join us in this movement. Our allies play an important role in highlighting the impact of our work, advocating for our mission, and recruiting and mentoring the next generation of leaders. Men for Emerge Vermont is vital in creating the coalition of allies needed to strengthen this movement.

Men for Emerge Vermont Contribution Options

- **\$250 contribution annually**
